THE KNOWLES SCHOOL ALLIANCE MASS-MEETING.

The members of this Alliance feel very much encouraged with the outlook. Interest and sentiment in their favor is increasing and they hope to be able to prove to the public in a short while the real worth of their organization. Some of the other committees appointed by the Federation will organize in the several school communities and thereby strengthen the work that is desired to be done relative to the colored public schools. The following named ladies were appointed at the City Federation to organize classes and work in the interest of the school in their vicinity:

Knowles School—Mrs. S. P. Harris, Mrs. C. E. Lewis.
Bellview—Mrs. J. C. Napier, Mrs. A. B. Carter.
Napier—Mrs. Alice Blake, Mrs. W. T. Hightower.
Meigs—Mrs. A. M. Townsend, Mrs. Jones, Mrs. Wilson.
Lawrence—Mrs. Durant Houston, Mrs. J. H. Hale.
Carter—Mrs. Anthony, Mrs. Morris, Mr. W. A. Reed.
Hadley—Mrs. W. O. Tate, Mrs. R. P. Burrus.
Ashcraft—Mrs. Oda Waters, Mrs. G. H. Hemphill.
Nelson Merry—Mrs. Evans Tyree, Mrs. J. A. Bright.
Peoples—Mrs. Graham, Mrs. Edwards.

A mass-meeting will be held at Mt. Zion Baptist Church Sunday afternoon, September 18, at 3 o'clock. A splendid program will be given. The ladies of the other school committees will assist on the program together with a paper by Mrs. H. T. Kealing and solos by Misses Nora Berry and Alberta Davis.

It is the earnest desire of the Alliance that all the friends of the city will be present and take a part in the program.

The members of the Alliance are joyous over the proposed plans of the teachers to hold mass-meetings and thereby discuss plans relative to the educational uplift of our schools. It is the work now being done by the Alliance and it will be glad to fall in line and follow in their steps, helping in any way possible.

At their last meeting the resolutions below were read and adopted, which they hope will be a means of reaching every home in the city.

Whereas, We, the members of Knowles School Alliance, feel the necessity of the co-operation of every colored citizen of Nashville in our effort to help the educative, civic, physical and sanitary conditions of our public schools, to elevate the moral status of our boys and girls; to inculcate self-pride and a desire to be self-supporting; to abhor idleness and all appearance of loafing, but to develop honest characters and good, worthy, useful citizenship. We therefore solicit the co-operation of the ministers in this our great effort. We ask that they from time to time make special mention from their pulpits to the parents of the importance of entering and keeping the children in regular attendance at

school throughout the school term.

It is hoped that parents will take notice of the club in their vicinity and lose no time in becoming a working part of them. This is a work that reaches every one and it is hoped that every one will be impressed with the importance of the same.

HUBBARD HOSPITAL NOTES.

The Hubbard Hospital Club had its usual meeting Tuesday afternoon and was highly pleased with proceedings. Two new members, Mrs. Reed and Mrs. Dawson, both made very helpful remarks.

The most interesting part of the proceedings came when Dr. Wells announced that Mr. Wm. Copeland, president of Benevolent Lodge No. 81, gave for his lodge \$25. His thoughtful generosity is most commendable and should and no doubt will cause other lodges to follow the meritorious example.

Also Miss Fannie Miller, one of the city teachers of San Antonio, Tex., who was in the city visiting Dr. Wells, gave \$5.00. The hearts of God's people are responsive to any worthy institution.

The club is alive to every effort, and its principle to do things right or not at all is a sufficient guarantee that it will succeed.

We are glad to note that Mrs. J. H. Hale, our efficient secretary, has returned.

Rev. G. B. Taylor gave one bed to the new hospital through the club. Our treasurer, Mrs. F. A. Stewart, made a report to the club of the money on hand which amounted to \$120.50. This is the effort of less than two months.

We are now soliciting furniture, linen, dishes, etc. Any donation will be highly appreciated by the club. The Hospital will soon be ready. Watch for opening day.

MISS MCCLAIN RETURNS HOME.

Miss Nettie L. McClaine, of Paducah, Ky., who has been spending a few days in the city, the guest of Prof. and Mrs. E. W. Benton, of 1215

Cedar street, returned home Wednesday. Miss McClaine is a recent graduate of the Freedmen's Hospital Training School of Howard University, Washington, D. C., and a former graduate of the Paducah High School, of which Prof. Benton was principal eleven years.

EXECUTIVE BOARD MINUTES OF ODD FELLOWS.

The minutes of the recent meeting of the Executive and the Endowment Boards are now in press and will reach the local lodges some time during the month of October or early in November. This is a new move on the part of the Odd Fellow fraternity and is inaugurated that a full report of these Boards, in this their biennial meeting, may be in the hands of each member. The officials feel certain of the appreciation of this move by the members of the order throughout the state.

Increase.

Dr. C. O. Hunter, Medical Examiner for the District Grand Lodge No. 6, G. U. O. O. F., at the recent Executive Board meeting, reported that more than one thousand applications had been passed on favorably by him since the last grand lodge held in Memphis in August, 1909.

New Lodge.

Plans are rapidly maturing for the organization of a new Odd Fellows Lodge in Nashville, which lodge is to be composed of some of the best and most energetic young men of the city. Special Deputy Wm. Patterson has charge of the plans and is enthusiastic over the prospects. He is hustling day and night that he may be able to lead all the deputies of the state recently appointed.

It is learned on good authority that Endowment claims aggregating over twenty thousand dollars have been audited and ordered paid within the year just closed. Truly the fraternity is beginning to look, in a business way to the orphans and widows.

The present Grand Master expressed himself as hopeful of having a home established ere long for the care of orphans and aged Odd Fellows.

Lawsuit Settled.

The case of R. L. Adams vs. District Grand No. 6, G. U. O. O. F., entered in the courts of Memphis about two years ago, has been, according to grand lodge votes, finally settled by compromise and judgment of \$500 paid.

This suit was filed and judgment rendered under the Orr administration and left as a heritage to the present administration, the history of which is well known to the fraternity and the people of the state. Each note was met by money loaned the organization by a member of the order.

TRIP DOWN THE FATHER OF WATERS.

ALASKAN ENDORSES DIRECTORY.

The latest endorsement of the efforts of the Nashville man who is interested in getting up statistics of Negro banks, and who purposes to bring out early in February the first complete Bank Directory of Negro institutions in book form that was ever published, comes from Fairbanks, Alaska, in a letter dated August 4th, to Mr. Boyd. The writer and author of the endorsement that is so significant to the compiler of this new book is Mr. Hayden J. Richardson, a young man who attained a deal of prominence while a student in the high school at Seattle, Washington. Mr. Richardson was at that time a member of the High School Cadets and became an officer in this high-class military organization. He finished from the school with high honors and then took a business course and found employment in the frozen regions of Alaska where he is doing well.

Mr. Richardson is a native Texan, and when he first wrote to Mr. Boyd did not know that they had both lived in the same city where he was born about twenty-five years ago. He declares that it is encouraging to a Negro away up there to hear these good things of banks and banking institutions controlled by his people in the South. There are but few Negroes in Alaska, and those who are there have been 'luck' enough with push and energy, to make wonderful progress.

Mr. Richardson sent his order in for the first copy of the Directory, that comes from the press.
